

# LOUADA OCTOBER SALE

SATURDAY  
OCTOBER 23, 1971  
PETERBOROUGH  
ONTARIO

#### **COVER PHOTO**

Meat, muscle, size and stamina must be evident at an early age. Here's proof that the sons of Kelso Ignition (P) can do it. This is Louada Bold Prince x, Lot 1. He is one of the oldest sons of Kelso Ignition (P) and certainly one of the best bulls ever to leave Louada.

**Louada October  
SHORTHORN SALE**

*Featuring*  
**KELSO IGNITION (P)**  
**DANDALOO ROYAL**

Selling October 23 are Louada  
Blood Royal Nan, Lot 12A,  
and her April heifer calf by  
Kelso Ignition (P), Louada  
Blood Royal Nada x.

W. W. DONALDSON

## *Welcome to Louada*

We're looking forward to your return to Louada for this 18th sale. Most of you are aware that Mrs. Donaldson and myself have been operating our own herd here since the dispersion of the Louada Manor cattle a year ago.

Naturally a few changes have been made, but the arrangements for the sale and your comfort will be the same as always.

The most important change at Louada is the appearance of the first sons and daughters of Kelso Ignition (P). We feel they will stand up to any judge or any standard in the world. We look forward to showing them with pride.

In service now too is Dandaloo Royal Duke (P), Australia's "Sire of the Year" over all breeds and the sire of Kelso Ignition (P). Although his calves won't arrive here until March, a great portion of the offering carries his service.

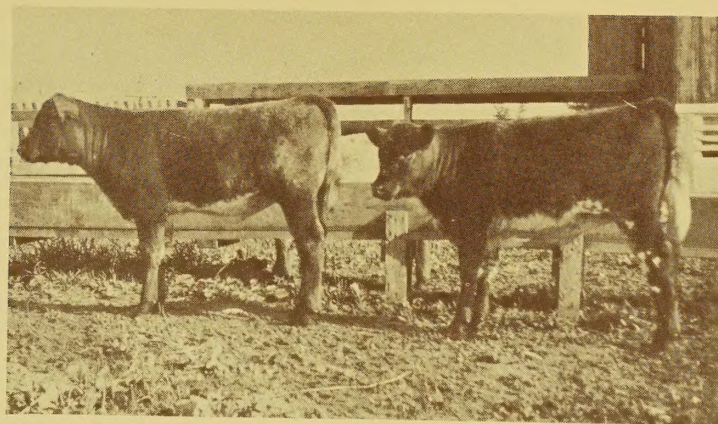

We look forward to your visit and to your joining us in this new Polled Shorthorn era at Louada.

*W. W. Donaldson*

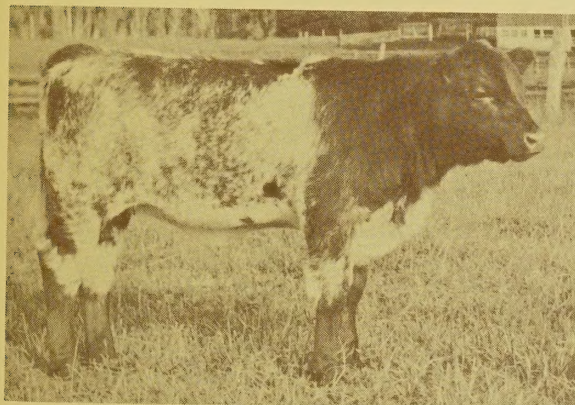

## *These Are Just a Few Of the Kelso Ignition (P) Calves That Can Be Yours*

A true sire must be able to transmit his size, soundness and polling factor to his calves and Kelso Ignition (P) has done it. His calves here, in Australia and in the herds who purchased females in calf to him here a year ago, prove it. So far all are polled and at this writing more than 50 have been born. Study the high polls on his calves. Very likely they will do the same for you.

From left are, Louada Butterfly Della x, Lot 8, and Louada Royal Grace x, Lot 11. Both are daughters of Kelso Ignition (P) and both sell.

Left — Louada Pauline Pat x, Lot 13, is by Kelso Ignition (P) and is shown here at three months.

Right — Louada Investor x, Lot 6, is by Kelso Ignition (P) and out of Louada Augusta Queen 2nd. He is shown here at three months.

## GENERAL SALE INFORMATION

**TIME AND PLACE** . . . Saturday, October 23, 1971, at Louada Farms, Peterborough, Ont. The farm is about 20 miles north of Peterborough which is about 80 miles from Toronto. Sale starts at 12 noon.

**TRANSPORTATION** . . . From Toronto the Canadian Pacific runs trains to Peterborough. Toronto is reached easily by any means of transportation. If you wish to be met in Toronto, we will be happy to do so, but please let us know sufficiently in advance. See pages 5 and 6 for more detailed information. Those wishing direct auto transportation can contact the DeNure Coach Lines at the Toronto airport. They will drive you directly to Peterborough at an economical cost.

**HOTEL ACCOMMODATIONS** . . . Sale headquarters will be the Rock Haven Motel in Peterborough. You may write them directly telling them you are attending this sale, or write to W. W. Donaldson, Louada Farms, R. 2, Peterborough, Ont., who will be glad to make reservations for you. Other good motels are the Holiday Inn located on Highway 7B in Peterborough on George St. The Tops and the Golden Nugget are both on Highway 28 at the west edge of Peterborough. The Karwatha is located on Lansdowne St. in Peterborough. We also recommend The Empress Hotel, Peterborough. Transportation from all these will be provided to and from the farm. A block of rooms has been reserved in the Rock Haven and the Holiday Inn, but they cannot be held indefinitely. Accordingly, please make your reservations early.

**AUCTIONEERS** . . . Paul Good, Van Wert, Ohio, and Merrill Anderson, Broadlands, Ill.

**GUARANTEE** . . . All cattle sell under the Standard Guarantee endorsed by the American Shorthorn Ass'n. Calves selling with their dams as one lot cannot be guaranteed. A condition of this guarantee is that written notice of failure to breed must be given to Louada Farms in writing within six months of the date of sale.

**DELIVERY OFFER** . . . Louada Farms will deliver all purchases at their convenience to your farm or to nearby central points east of the Rockies.

**HEALTH** . . . All cattle will be sold under the laws of Ontario and will comply for entrance to the United States. Official calfhood vaccination of females is practiced and the herd is accredited for T.B. and is in a certified Brucellosis free area.

**TERMS** . . . The terms of this sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions. All announcements at sale time, written or oral, supersede any written material in this catalog.

**LIABILITY** . . . Louada Farms, its owners and employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager and his staff, auctioneers, and clerks were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees, or health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract.

**LUNCH** . . . Will be available sale day.

**FARM PHONE:** (705) 657-8840. This phone is nearest the sale barn and this is the number that should be used on sale day.

**FARM STAFF:** Walter Cummings, Superintendent. Staff: Clarion Coppaway, Murray Mewhinney, Cecil Cummings.

**FOR FURTHER INFORMATION ON SALE CATTLE** . . . The owner or sale manager will give you his critical appraisal of any of the cattle listed in the auction.

**MAIL BIDS** . . . We hope it will be possible for you to attend this sale. If it is not, there are many competent representatives to whom bids may be sent, all of whom will be attending the sale:

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

Stuart Wilson, The Shorthorn World, Aurora, Illinois.

Lyle Eiten, The Prairie Farmer, Ladd, Illinois.

C. K. Tomson, Harding & Harding, Geneva, Illinois.

Ed Huff, Livestock Breeder Journal, Culpepper, Virginia.

Al Hamann, Rock Rapids, Iowa.

W. L. Elliott, Secretary, Ontario Shorthorn Club, R. 4, Guelph, Ont.

. . . or to any of the auctioneers listed, the owners or employees of Louada. All these representatives may be reached at the farm phone listed above within 24 hours of the sale.

**INSURANCE** . . . Will be available at the sale.

**PEDIGREES** . . . Pedigrees on each lot will be furnished to the new owner transferred on the records on the Canadian Livestock Records Ass'n. Further transfer to the herd books of other countries will be at the expense of the buyer. Transfer from Canada to the U.S. herd book will cost \$10 a head to the new owner. The owners certify that all cattle selling are eligible for registry in the American Herd Book, including calves at foot.

Expressway 401 across Ontario is completed. This means you can drive across Ontario with ease and make good time. Coming from Detroit, go over the bridge (not through the tunnel). West and south of Detroit are fine expressway roads connecting with the Michigan, Ohio, Indiana, and Illinois turnpike systems. From Ohio and farther east study the turnpike systems which lead through the Buffalo and Niagara Falls area. Many of our friends in the Midwest will be able to get on expressways in Illinois and Ohio, for example, and stay on them until they turn north off 401 to Peterborough.

From junction of 7 and 28 continue north on 7 to Fowler's Corners. Do not take 28 as it goes into Peterborough. From Fowler's Corners go east on 7B four miles to Chemong Road leading north to Bridgenorth. Then across Chemong Lake at Bridgenorth, follow farm signs through Ennisnore and on to Louada Manor Farms.

These maps are crudely drawn and are not meant to replace road maps. We feel they will be helpful, however.

## TRAIN AND PLANE INFORMATION

### By air . . . Chicago to Toronto

Air Canada, United and American airlines have many flights a day — each way — between Chicago and Toronto, leaving from O'Hare Airport.

### By air . . . from other points

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

### By rail . . .

You can take a sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in Toronto early in the morning. The train from Toronto to Chicago leaves about 10 p.m. Since schedules are subject to change, please check exact departure times.

### By automobile . . .

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airplane ticket from Chicago-Toronto is only about \$70. Rail is about the same. Traveling alone, it is difficult to beat this by car.

### By rail . . . Toronto-Peterborough

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough, it will probably be best for you to do so because it is a fast train. However, if you are to encounter a long delay, we would prefer that you call W. W. Donaldson (705) 743-6980, and we will arrange to pick you up with others coming from the airport. Coming back from Peterborough to

Toronto there are generally trains at times that will enable you to make your connections, but in the event you cannot find a convenient connection, we will see to it you have transportation to Toronto.

### Meeting you in Toronto

We will be happy to meet your plane. It is about a two-hour drive to the farm. Try to arrive early enough so you won't miss the gathering at the farm Friday afternoon. **Please advise us in advance of your arrival time. Then you should report to the flight information desk of Air-Canada.** A representative of Louada will be nearby. If you miss connections, call W. W. Donaldson, (705) 743-6980.

If you are coming by train, you may find it just as convenient to continue by train from Toronto to Peterborough. However, if this doesn't work out, call the farm and we will include you in the cars coming from the airport. Cars will also be going back to the airport after the sale.

### Cars from Peterborough

If you are without transportation upon arriving in Peterborough, contact the farm. On sale day cars will leave from the motel area at approximately 8:00 a.m. and 8:30 a.m.

**All train and plane information given here is approximate. Be sure to check with your ticket agent for exact times. Because schedules change, we cannot quote exact times.**

*We urge you NOT to make your connections so closely that you arrive in Toronto Saturday morning.*

These are all sons of Dandaloo Royal Duke (P) and half-brothers to Kelso Ignition (P). They were photographed at Kelso Park in Australia.

## *There's a Reason for the Greatness That Is Louada*

Louada has always been a place of great excitement and glamour. It's been the mecca of the Shorthorn industry for years and the whole world has envied its success. Not often, however, do folks stop to analyze the reasons for that success.

Louada has always been a leader. It always will be. Under the guidance and direction of the world's most distinguished cattleman, it is now making a phenomenal contribution to the Polled Shorthorn industry.

Kelso Ignition (P) was widely discussed after his purchase a year ago. There are those who said he could be "most anything" because he'd never be seen on North American shores. Since that time, a number of leading North American cattlemen have travelled to see him in Australia and there's no doubt among them.

Moreover, his calves have arrived throughout North America in numbers. There's yet to be a bad one among them and there are some with the sheer aura of greatness which happens so seldom in purebred stock breeding.

Now from Louada too, you can take advantage of the service of Dandaloo Royal Duke (P), the sire of Ignition (P) and Australia's "Sire of the Year" over all breeds.

Where else such progress? Where else such opportunity as at Louada — as reliable a name as the cattle business has ever produced.

\*(P) in Australia indicates polled.

KELSO IGNITION (P) — He is the first Polled Shorthorn bull in service at Louada and was the first Australian bull ever to be used in North America. Acclaimed as the best son of Dandaloo Royal Duke (P), he weighed 1,800 pounds at 21 months; 1,960 pounds at 24 months and more than 2,100 pounds at 30 months. Because of International health requirements, Ignition (P) himself cannot come to North America, but he is amply proved by calves both here and in Australia. Louada firmly believes that Polled Shorthorn breeders must stress the polling factor along with those of size, quality and conformation. You'll notice that 27 of the first 30 animals in his pedigree are polled. Moreover, all of his calves are polled. Study the pictures of these first sons and daughters carefully. Many were taken as young as two or three months. They get better every day and there are many great ones among them. They're fit for the greatest herds of the world.

KELSO IGNITION (P)

# *Heritage Still the Basis Of Improved Cattle*

There are certain essentials that must be observed in the breeding of purebred livestock. One is that in our haste for progress we not overlook the fundamentals of quality.

Individual merit to meet modern demands is still the keynote. Then that merit must be combined with a sound heritage of known inheritance. Hit and miss breeding will produce hit and miss results.

Today there is a great interest in newly-imported breeds, called exotic by many people. Great attention has also been focused on a few bulls within the breed that would appear to be genetic freaks. They are far from being proven. Any breed can give a good account of itself in the first cross. But what about the future?

When Kelso Ignition (P) was selected for Louada, they almost knew what to expect. The calves prove the value of his inheritance. His sire is certainly the best proved bull in Australia today. His dam is a beautiful young female from the Gunnawarra Fanny family, a line exclusive to Australia.

Yes, there's some of the best of North American breeding in the background too. That's a definite asset since it surely proves that the Ignition (P) sons and daughters will have the ability to infuse successfully with our North American cattle.

Study the pictures of Ignition's near relatives on these pages. They prove that uniformity of quality that backs this powerful young stock bull.

Shown above are Kelso Fanny (P) and Kelso King Edward (P) the dam and full brother of Kelso Ignition (P). Ignition was her first calf. This is her third.

Here is the full-sister to Kelso Ignition (P) photographed on the range in Australia.

Left — Kelso Intruder (P) by Dandaloo Royal Duke (P) is a half-brother to Kelso Ignition (P). He is in service at the Weenya Stud in New South Wales.

Right — Kelso Junker (P) was junior and grand champion at the big Melbourne, Australia, show in September of 1970. He is by Dandaloo Royal Duke (P).

## *These Are All Half Brothers to Kelso Ignition (P)*

All of these are half-brothers to Kelso Ignition (P) and by Dandaloo Royal Duke (P). They are shown at Kelso Park in Australia.

DANDALOO ROYAL DUKE (P)

This is the trophy won by Dandaloo Royal Duke (P) as Australia's "Sire of the Year" over more than 1,000 bulls of 24 beef breeds.

Dandaloo Royal Duke (P) on pasture at Kelso Park.

## *Australia's Leading Sire Over All Beef Breeds*

### **DANDALOO ROYAL DUKE (P)**

Without question Dandaloo Royal Duke (P), the sire of Kelso Ignition (P), is Australia's leading sire. He has been "Sire of the Year" over 24 beef breeds and has twice been Shorthorn "Sire of the Year" and once second. More than 1,000 sires are entered annually in this competition.

This year he sired the winning get-of-sire in Sydney's Royal Easter Show together with the junior champion Kelso John Bull (P) that sold for \$10,000 (\$12,000 U.S.).

His sons in each of the last three years at Sydney have averaged more than double the average of the sale.

At four Melbourne and four Sydney shows, bulls by Dandaloo Royal Duke (P) have won 23 firsts, 19 seconds, and five thirds. He has sired 29 champions and reserves at Melbourne and Sydney, the two top Australian shows.

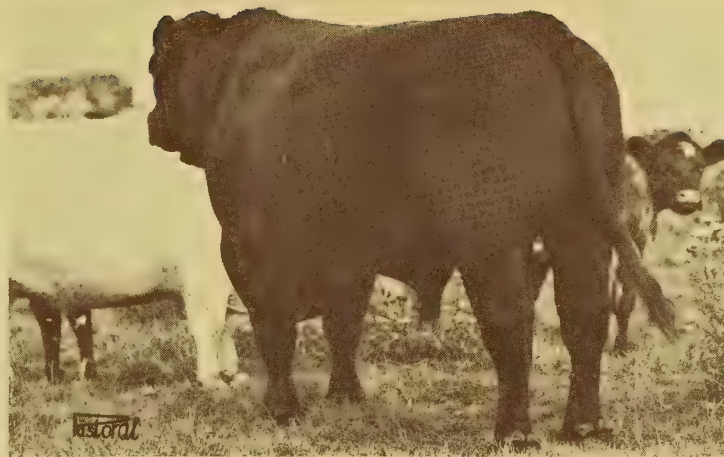

In the 1970 Melbourne show his progeny were junior and grand champion bull, reserve junior champion bull, reserve junior champion female, won five firsts, six seconds, two progeny groups and best pair of bulls. His six sons under 18 months finished first and second in each of the three junior classes and were assessed by the judge as collectively the best six young bulls he had seen on an Australian show ground.

As a mature show bull, Royal Duke (P) weighed 2,600 pounds. Today on pasture as a seven-year-old show bull he weighs 2,300 pounds and that is in working condition in the sub-tropical New South Wales climate.

Further, Royal Duke (P) has the conformation of a true **beef** bull with strong loin, quarter and hind leg. His head is that of a true stock bull and he has a high poll.

Royal Duke (P) has been in service artificially in North America since last May. A portion of the Louada cow herd has been served to him. The October 23 sale represents the first time his service has been available at public auction. It is a rare opportunity for North American breeders to take advantage of one of the most prepotent sires in years.

Study the great muscling and strength of hind leg in this rear view of Dandaloo Royal Duke (P).

Here is how Dandaloo Royal Duke (P) looked last February as a seven-year-old.

**ON THE BACK COVER**

Dandaloo Royal Duke (P) is Australia's leading beef cattle sire. You can buy his service with a large number of the Louada females selling on October 23. Just think what stock bulls these females will carry.

DANDALOO ROYAL DUKE (P)
